"USE THE BEST!"

MRS. WILSON'S
HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and \$1 for quart bottles. The quart bottles are much the cheapest.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people:

Mrs. Henry P. Wilson & Co.—My wife is now growing her hair, and her complexion, far superior to anything she ever used for her hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and cures the itching. I forward you this certificate unhesitatingly, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use.

Respectfully,
REV. JACOB STEVENS, Newburyport, Ms.
"I like the Hair Regenerator and Dressing very much."
REV. Geo. W. Woodbury, Hartford, Ct.
"Unhesitatingly pronounce it an invaluable article from the effect on my own head."
S. A. HILL, wife of Rev. Henry Hill, Manchester, N. H.
"It rendered my hair soft and glossy."
MRS. FARRAR, Saratoga Springs, N. Y.
"I feel confident that it operates not as a dye, but to restore the roots to their natural healthy state."
REV. E. M. KELLON, Maslin, N. H.
"I most cheerfully recommend it to all persons."

Messrs. HENRY P. WILSON & Co.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore their hair to its original color, or to those who are troubled with dandruff, or a disagreeable itching of the head or humors, or to those whose hair is falling from the head.

REV. G. W. H. CLARK, Great Falls, N. H.
Messrs. HENRY P. WILSON & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard article of a hair preparation. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, and to the original color, cure entirely the most painful head-aches—and in some instances most serious humors. Personally, I have been a sufferer in several of these benefits.

**TO COUNTY COMMISSIONERS,
Town Agents, Druggists
AND THE
MEDICAL FACULTY OF VERMONT.**

The old established House of
A. M. BININGER & CO.,
of 10 Broad street, New York,

ESTABLISHED IN 1778,
would call the attention of all interested in the use of
PURE LIQUORS as medicine, to their unequalled stock of

PURE WINES AND LIQUORS.
We are permitted to publish the following notices and
recommendations of the articles we offer,—which, in all
cases will be warranted to open as represented:

Messrs. A. M. BININGER & Co.
Gentlemen: I purchased, as you requested, a
bottle of your "OLD LONDON DUCK GIN," as sold in the
State of this city, and I have made a chemical analysis of
this sample. It contains 32 per cent. of absolute alcohol,
with odor and flavor of juniper berries only.

On evaporation to entire dryness, this gin is found to
contain 142,100 grains of saccharine matter per gallon, and
this residual matter contained nothing else.

There is no adulterating ingredients or injurious matter
of any kind in this gin, and it contains the intrinsic merits
of a pure article.

Respectfully,
CHAS. T. JACKSON, M.D.,
State Assayer.
Boston, July 20th, 1860.

Messrs. A. M. BININGER & Co., 10 Broad Street,
New York: Gentlemen—We have repeatedly heard our customers
express a good opinion of your popular bottled
liquors, and can say that we have rarely met with articles
for which a steady demand has so rapidly sprung up, as
they are now standard goods with druggists throughout
the east.

Yours truly,
GEO. C. GOODWIN & CO.,
Druggists, No. 11 & 12 Marshall St., Boston.

BURLINGTON, Vt., Aug. 20, 1860.
In my opinion, the Liquors sold by A. M. BININGER &
Co., No. 10, Broad street, New York, are unsurpassed in
purity and reliability. I have no hesitation in recom-
mending them in all cases where a reliable stimulant is
required.

A FINE ARTICLE.—BININGER'S OLD LONDON DUCK
GIN—This Gin I find to be superior to any other bottled
gin in the market, and am rapidly introducing it in my
trade.

MIDDLEBURY, Vt., March 24, 1861.
A. M. BININGER & Co., New York.
Gentlemen—I have had occasion in my practice,
to use your "Old London Duck Gin," and have discovered that it
would cure Diarrhea, even if it had assumed a chronic
form.

If the intelligence is worth anything to you, I am sure
it will be worth more to the public, for no family should
be without it, especially in warm weather.

NATHANIEL HARRIS, M.D.
The House of A. M. BININGER & Co., 10 Broad Street,
New York, have furnished me with a large proportion of the
Liquors and Wines sold by the Town Agents in this County
for the past year, and the Liquors and Wines so fur-
nished have been pure and unadulterated and have given
good satisfaction. In accordance with the laws in relation
here to, I would recommend said House to all who de-
sire a pure article for medicinal, Mechanical, or Chemi-
cal purposes.

HORATIO NEEDHAM,
Commissioner for Addison Co., Vt.
April 24, 1861.

From the Home Journal.
It is worthy of remark, that this venerable House have
made a specialty of supplying the wants of Druggists,
Physicians, and Town Agents with the pure and whole-
some liquors, and the fact that their list of customers em-
braces over four thousand Druggists, is conclusive evi-
dence of their popularity with that respectable class of
traders.

THE BOSTON JOURNAL.
FOR 1861.

DAILY, SEMI WEEKLY, AND WEEKLY.
A New Building and New Press.

Owing to the rapid increase of the business of the
Journal, the proprietors have found it absolutely necessary, during the present year, to en-
large their facilities for its accommodation. They
have removed the establishment to the splendid
New England Building, on Washington and Water
streets, which was erected expressly for them, and have
added to their Printing Department one of the most
modern

EIGHT-CYLINDER PRESSES,
the only one of the kind in New England. They have
two presses—one eight cylinder and one six cylinder,
and these, together with other improvements, give them
the most complete Daily Newspaper establishment in
New England, and will enable them to meet the demand
of the public more punctually than ever before.

In securing the prospectus of the JOURNAL for 1861,
the proprietors have endeavored to make the whole as
to make it the leading paper in New England for early
and reliable intelligence from all sources. The indices
now are that the approaching Winter will be one
of the most severe which our country has
ever passed. With able and experienced correspondents
at Washington, we shall, by the free use of the Telegraph
keep our readers well informed of every movement of
interest there, and of the proceedings of the different
sessions of the country will tell them how the popu-
lar pulse of the North, South, East and West bears in
response to the movements at the Capitol. Our Editor-
ial and Reportorial force will be strong indeed, and the
occasion requires, by the test which can be ob-
tained, and all that experience can suggest and money
and labor perform, will be done to make the JOURNAL
more worthy than ever before of the New England pub-
lic. With this issue, we append the several

**Great Remedy for Coughs, Colics and
Kidney Difficulties.**

WHITE PINE COMPOUND,
PREPARED BY
DR. J. W. POLAND & CO.,
GEOFFSTOWN CENTRE, N. H.

THE following testimonials will tell something about
a Medicine that is now becoming popular faster than
any other article sold by druggists:—
Rev. J. K. Chase, of Rumney, N. H., under date of
April 14, 1860, says:—When I was afflicted with
Cough, I tried the Compound, and was cured. I was suf-
fering from a most severe cold. I took the Compound,
and was able to preach in two days. * * * I believe
the Compound is an invaluable medicine. I do wish
thousands who know nothing of its virtues, would be
come better acquainted with it."

Rev. L. C. Stevens, Pastor of the Baptist Church at
Geoffstown Centre, a letter dated Feb. 1860, says:—
"Some of my family have tried the Compound, and
with signal success. I believe it to be one of the best
Cough Remedies ever prepared. Besides its value as a
Cough medicine I have good reason to believe it to be
all claims to be a Kidney Disease and Diabetic."

Mr. Asa Gooding, of Bow, N. H., was prostrated by
Diabetes, in March, 1859, that neither himself nor any
who saw him thought that he could possibly live through
the month. As a last resort, he thought, he would try
the White Pine Compound. They procured a bottle for
him; he began to take it, and to the surprise of all, im-
mediately showed signs of amendment. * * * He was
able to get up, and in a full statement of his case,
he says: "I believe that the White Pine Compound, un-
der God, has been the means of my recovery this
time."

Hundreds of cases of Kidney complaints, cured ex-
actly by using the White Pine Compound, have been
reported by druggists. Here are two examples:—
An aged man in Danvers, Mass., heard of the Com-
pound, as a wonderful curative for kidney complaints;
it was a great relief to him that difficulty, he sent to the
Apocryphal for two bottles. They cured him. He said
they were worth fifty dollars. He has since sold a good
many bottles himself.

The second case was that of a business man, in Salem,
Mass. He was afflicted with Diabetes, and after
wards he went to Minnesota. The great relief, as of his
journey brought on a return of his former difficulty, and
seeking in vain in Minnesota for the Compound, he was
compelled to send all the way to Salem to have it for-
warded by express.

July, 1860, Dr. P. LAND.—Mr. J. C. Butterfield, Jr.,
who sells your Medicine, has requested me to give a
brief statement of what your White Pine Compound has
done for me. I had been afflicted with the Kidney Com-
plaint for a long time, and had a bad Cough of ten
years' standing, which caused me to spit blood quite
frequently. No one of my acquaintances expected that I
should ever get well again. But the use of your
White Pine Compound has cured me of both the Cough and the Kidney Complaint.

I would also state, that a lady, a neighbor of ours,
was so badly afflicted with a Cough, that she was only
long enough to have her bed made, and we all thought
she was going in a quick consumption. She took only
one bottle of your Compound, and it cured her. She is
just as well now as she ever was. STEPHEN BART-
LETT, Bradford, N. H.

"Dr. Poland—I wish to bear my testimony to the
value of your White Pine Compound. You will remem-
ber how feeble I was at the time I called upon you, in
July last. My chief complaint was inflammation of
the kidneys. In addition to other disagreeable sym-
ptoms I suffered dreadfully from severe pain. You sold
me a bottle of the White Pine Compound, and before I
had taken two-thirds the contents of that one bot-
tle, my pain had left me. I wish I had been afflicted
with that complaint a long time, I have not had a re-
turn of it since, and have for many months past enjoyed
excellent health. Yours truly, B. F. ALKEN.
